

This is a blue sentence.

I'm with the previous defined color, but I'm with the new celestial blue and red I could be.

I'm the default (normal) text size, and I can grow or shrink at your desire.

We can **bold some text** *italic some other* **and bold italic the rest.**

**I'm a centered bold text in a centered paragraph aligned group**

I'm at the left line side

and I'm at the right at the same line.

A header BIG line		
Column A	Column B	Column C
I'm at left	I'm a centered cell	I'm at right
A <i>multicolored</i> text cell.	<b>Shout</b> and whisper lower and lower.	I'm a fully right-aligned cell, directly created with a addTableElement call avoiding the verbose begin-end block.
<b>April's 1st</b> This is the day some of us are fooled by 'expert' people.	Sunday, 01/01/1984 The first day of 1984 year.
